

Freelance Video Presenter

Description

ansrsource is looking for Freelance Video Presenters to create engaging, professional instructional content for global educational courses. This opportunity is particularly suited to presenters who can bring diverse cultural and international perspectives to educational content while delivering scripted material naturally and confidently.

ansrsource is a leading global learning design and development company. For over two decades, the organization has partnered with top universities, publishers, and corporations to create high-quality, impactful digital learning experiences. Committed to innovation and inclusion, ansrsource designs accessible education solutions that empower learners worldwide to achieve their potential.

Responsibilities

- **Script Review:** Receive and review scripts and filming guidelines ahead of scheduled recording sessions.
- **Video Recording:** Record clear, professional “talking-head” style videos using the provided scripts and filming guidelines.
- **Content Delivery:** Deliver high-quality video files that meet professional production standards for educational courses.
- **On-Camera Delivery:** Present scripted content naturally, clearly, and confidently for a global learner audience.

Qualifications

- **Location:** Currently residing in India and available to attend in-person studio recording sessions.
- **Work Authorization:** Legally authorized to work or undertake freelance/contract engagements in India for the duration of the project.
- **Language Skills:** Excellent spoken English with clear and natural delivery suitable for a global audience.
- **On-Camera Presence:** Comfortable and confident speaking in front of a camera and delivering scripted content naturally and fluently.
- **Cultural Representation:** Able to bring an authentic international or culturally diverse perspective that supports the global nature of the educational content.
- **Professionalism:** Reliable, responsive, and able to follow provided scripts, recording guidelines, and production requirements.
