

Intern

Description

We are looking for a motivated and enthusiastic Product Development Intern to support the development and enhancement of AnsrAccess. This internship offers hands-on experience working with a collaborative product team, providing exposure to real-world product development initiatives and an opportunity to contribute to meaningful projects.

Responsibilities

- Support the Product Development team in day-to-day project activities.
- Assist with research, documentation, testing, and product enhancement initiatives.
- Collaborate with cross-functional teams to understand product requirements and workflows.
- Participate in team meetings and contribute ideas for product improvements.
- Help maintain project documentation and track assigned tasks.
- Complete assigned deliverables within agreed timelines while maintaining quality standards.

Qualifications

- Currently pursuing or recently completed a Bachelor's or Master's degree in Engineering, Computer Science, Information Technology, Business, or a related field.
- Strong analytical and problem-solving skills.
- Good verbal and written communication skills.
- Ability to learn quickly and work effectively in a collaborative environment.
- Proficiency in Microsoft Office or Google Workspace is preferred.
